A young man in the employ of T. P. Maloney was summarily discharged a few days ago for "knocking down." For some time Mr. Maloney was suspicious of him and laid a trap and caught him red handed. He arranged his cash register and told his employee that he was going to breakfast. He had arranged for a patron to make a purchase of \$2.50 worth of bacon. This was done and shortly, Mr. Maloney appeared on the scene and going to the register found that only 2 cents had been rung up instead of \$2.50. He called the young man's attention to the discrepancy. He admitted the theft and paid the difference. He also confessed to Mr. Maloney that at other times he had taken \$10. Owing to the fact that the young man had a family he would not prosecute. It pays to be honest. This young man for a paltry few dollars lost a good position and forfeited his reputation which was priceless. Young men be honest, it will pay in the end.

The amount of stock actually subscribed is \$50 by the following stockholders who subscribe one share each: Fredrick H. Deakin, C. Frank Weber, Frederick S. Kellogg, Edgar M. Wilson and Charles H. Phillips. The purposes for which the Company incorporates is to acquire, by from the heirs devisees and legatees of the estate of Kate Johnson, deceased, their interests in said estate and to a general real estate business.

The Edgmar Realty Syndicate incorporates for the purpose of doing a general real estate business in this and other states. The Company incorporates with a capital stock of \$300,000, divided into 3,000 shares at a par value of \$10 each. The principal place of business is San Francisco. The amount of stock actually subscribed is \$500 by the following stockholders who subscribe one share each: William G. Young, Joseph G. Easton, E. Cooper, Thunite, M. L. Wicks and R. L. Durham.

Edgmar Realty explained his inability to do the repair or build the new proposed road owing to shortness of funds in his district. He desired to thoroughly repair the road from the Daly hill to the county line and this would entirely exhaust his funds. However, he favored the idea of abandoning the old road and building a new one. Money would have to be expended on the old thoroughfare every year in keeping it in repair, and this is a waste of money.

Debenedetti urged the repairing of the road at once. He thought the property-owners in that locality should get redress. There was some talk of subscriptions.

Then came the donations. Duncan McNeen an owner on the line of the old road donated \$500, the California Suburban Home Company, owners of Farallone City, donated \$200, and Martini, a tenant on the line will donate \$200 in labor. Mr. Locke, representing the Ocean Shore railroad company, said that although he not authorized to donate any specific sum, he was certain that Mr. Harvey of the railroad company would liberally respond to any request made to him.

At this showing on the part of the property-owners Eikerkotter moved that the prayer of the petitioners be granted. The motion was seconded by Blackburn.

WHEREAS, G. Ostrander is the owner of a certain tract or subdivision of land known and designated as the "Ostrander Subdivision of lots 10 & 17 Linda Vista Tract" situated at Fair Oaks, County of San Mateo, State of California, and bounded by Camino De Los Robles, on the north, Valparaiso Avenue, on the south, lots 9 & 18 of the Linda Vista Tract, as recorded in the office of the County Recorder of said county, on the east and lots 11 & 16 of same tract, and the west; and

SUPERVISORS IN SESSION

School Bond Election Declared Legal

BRIDGE CONTRACTS AWARDED

Assessor C. D. Hayward Granted Leave of Absence—Petitions Are Laid Over

The Board of Supervisors met in regular session Monday. In the absence of Chairman Coleman Supervisor MacBain was chosen temporary Chairman, on motion of Debenedetti seconded by Blackburn. District Attorney J. J. Bullock presented the proceedings of a special school bond election held at San Bruno Park on August 7th, to raise the sum of \$1000, there were 27 votes cast, 19 in favor of the bond issue and 8 against. A resolution was adopted declaring the election to be legal and notifying the Auditor to provide for same in making his levy.

C. N. Kirkbride also presented all the papers and proceedings had at a School Bond election held at San Mateo on August 10th, to raise \$40,000. There were 223 votes cast, 170 of which were in favor of the bond issue and 49 against.

A resolution was adopted on motion of Eikerkotter seconded by Blackburn declaring the election to be in conformance with law and directing the Auditor to provide for said bond issue in making up his tax levy for the next fiscal year.

C. D. Hayward petitioned the Board for a leave of absence of 60 days from the state. The request was granted on motion of Blackburn seconded by Eikerkotter.

J. J. Bullock presented a map of the first subdivision of Hunnington Park, San Bruno. The map and the customary resolution was adopted on motion of Eikerkotter seconded by Blackburn.

On motion of Debenedetti seconded by Blackburn the following communication from W. J. Dingee was ordered filed:

Gentlemen: I am just in receipt of a certified copy of the resolution passed by your honorable board approving of the new road that I desired to your county, and it is certainly gratifying to me to deal with such broadminded and honorable supervisors. It has been inconceivable to me how any honest person could object to the acceptance of this road and the abandonment of the old. With assurance of my appreciation of the courteous and fair treatment that I have received from your honorable board in this matter, I am very sincerely yours, WILLIAM J. DINGEE.

The petition from Fire and Game Warden Semich received at a previous meeting asking for funds to be used in the event of forest fires, was laid over until the next meeting.

The petition signed by Smith and other residents of the First Township asking for the reopening of the San Pedro and Halfmoon Bay road came up for hearing. M. W. McIntosh represented the owners of 2000 acres, and Mr. Martini who farmed the land urged the Board to take some action in opening the road for travel. He said the winter rains cause large land slides that made the road impassable. He thought that \$1500 or possibly \$2000 would do the needed repairs. A report of Chief Engineer Rogers of the Ocean Shore Railway Company, made at the request of Eikerkotter was read. He surveyed for a new line over a new route by which slides could be avoided, although the grade in some places would be greater than the old road, however this would be a vast improvement. This would cost a much greater sum than the repairs.

Eikerkotter explained his inability to do the repair or build the new proposed road owing to shortness of funds in his district. He desired to thoroughly repair the road from the Daly hill to the county line and this would entirely exhaust his funds. However, he favored the idea of abandoning the old road and building a new one. Money would have to be expended on the old thoroughfare every year in keeping it in repair, and this is a waste of money.

OCEAN SHORE ELECTRIC ROAD

Absorbed by the Western Pacific

NEWS HAILED WITH DELIGHT

By the Collation San Francisco Is Sure to Become a Great Commercial Center

The news that the Western Pacific Railroad Company has absorbed the Ocean Shore Railroad will be hailed with delight by the people of San Mateo County. It means that the road now in course of construction, will be speedily completed and that San Francisco will have three competing transcontinental roads which is certain to make the metropolis one of the great commercial centers of the United States and when San Francisco prospers the peninsula feels the effect. It has been known for some time that the Goulds have been negotiating for the road to connect it with their vast system which extends from the Atlantic to the Pacific Ocean. The coast side of the county will be rapidly developed and the beaches will become attractive summer resorts, for it is known that the Company intends to spend vast sums of money on them. The Ocean Shore people have done considerable work by means of assessments but owing to the stringency of money markets here they were unable to continue and therefore accepted the offer made by the Goulds. It is just possible that the Company will construct many feeders in the way of electric lines to the main road. It is within reason that a road will be built to La Honda making that place a summer resort.

sum or amount arising by or through any defect of any kind in said Franks Lane.

The clerk was ordered to open bids for the construction of bridges over the Butano and Tunitas creeks. The following proposals were received:

TUNITAS CREEK.
W. H. Bradley on present bridge be used.....\$1825 00
P. A. Roussel.....1400 00
J. H. Bell.....2791 05
On motion of Debenedetti seconded by Blackburn the contract was awarded to W. H. Bradley.

BUTANO CREEK.
J. H. Bell.....\$1697 00
P. A. Roussel.....2541 00
On motion of Blackburn seconded by Debenedetti the contract was awarded to J. H. Bell.

Both contractors were given sixty days to complete the work, instead of thirty days.

The bond of John Savage to construct a concrete bridge over El Corte Madera creek was approved by the chairman. On the suggestion of Eikerkotter the board agreed to inspect all the bridges in the county, a day to be set for some time in the near future.

District Attorney Bullock presented the report of the election held in South City levying a fire tax for the purpose of raising \$1,650 to be used for the purchasing fire apparatus for the protection of that city. The election having resulted in a victory for the tax advocates, the auditor was instructed to add a special rate to the tax levy of South City.

This being the day set for receiving bids for the electric light and power franchise in the first township, Hall C. Ross, representing W. J. Martin, who applied for the franchise some time ago, presented a bid of \$100. This was the only one received. Debenedetti said, that inasmuch as the franchise was worth \$50,000, the bid should be rejected. To Please the Palate

is our aim in serving meat—to retain
the fine flavor Nature bestows; not to
let it go to waste, as some meatshops
do. With prolonging this true tale, it
may be set down for a fact that here is
to be found a first-class place to pur-
chase beef, mutton, lamb, ham, poultry
and game, to give your table good credit
with household and guest.
